you have W<sup>m</sup> Atkinson & Nancy Lightfoot m. July 8 - 1786

The Atkinson name appears as security on the ~~original~~  
bonds - Could this Nancy be Ann - ?  
did W<sup>m</sup> Atkinson leave her a widow & is she  
on the m-bond list as Nancy or Ann Atkinson?  
m. & W<sup>m</sup> Hayes - This seems worth  
following -

The only W<sup>m</sup> Hayes child's birthdate I have is  
B. L. Hayes - 2/26/1798 (Isabella L. Hayes Thorne's bible)  
Believing him to be 2<sup>nd</sup> or 3<sup>rd</sup> son - These dates  
would still fit — if W<sup>m</sup> Hayes was Ann's 2<sup>nd</sup> husband.

July 30/39

Dear Mrs. Chapman -

I fully intended to send you the enclosed with  
from Richmond - but after the trip to Mullin etc -  
I was tied out - ditto after a day at Va. library  
from there I went to Afton and back to Ga.  
a hectic time here has delayed me further -  
No pardon my not even sending a card -

In Richmond I searched the Index of W. Jackson  
through 6, must admit I did it very badly,  
as I did not understand the need of searching  
both side of the index - When I found this,  
I checked thoroughly vol. 3-4-5-6 - Had no  
time to recheck 1-2 - or to search any later  
vols - if any -

On a separate paper I have noted what may be of help.

The appointing of a guardian, & the date he was  
dismissed, nearly settles Ann's age, does it not?

2.

here not guardians dismissed when orphans reached  
18 or 21 - ?

It seems strange that a guardian was needed for  
the sister Mary, who was married & had two  
children - in 1775 -

The Ann Lightfoot marriages which I found are  
eliminated by the facts -

Is the guardian Joseph Chapman one of your  
husbands ancestors? That would be interesting -  
There is no use in spending any time on Godwin or  
other lines - until the marriage of Ann Lightfoot  
da. of Bartholomew L. and William Hayes is proved.

I wish I could say - go the limit and find this  
proof for me - but - times being what they  
are I cannot do that, nor can I interest the  
other descendants -

Suppose we say -  
do \$15.00 worth of trial on this for me  
and then let me hear - Is that customary  
and reasonable? Please write frankly -

3  
Let me hear from you by & by — and if  
I am returning to Virginia this summer  
I will notify you where and when —

Yours most sincerely,

Isabel T. Johnston.

By the way, I have Col. Robert Pitt and John Brainerd  
of Ill. of Wight — in my circle meeting —
